**THE ONASSIS FOUNDATION SCIENCE LECTURE SERIES (2001-2014)**

**Nobel Laureates, U.S. National Medal of Science Laureates, Turing Award**

## A) Nobel Laureates from U.S.A.

**Ahmed Zewail**
Prof. of Chemistry and Prof. of Physics,
Linus Pauling Chair and Director of the NSF Laboratory for Molecular Sciences,
California Institute of Technology.
Nobel Prize (1999) in Chemistry.

**Edmond Fischer**
Prof. Em., University of Washington
Nobel Prize(1992) in Medicine

**Günter Blobel**
Prof., Rockefeller University
Nobel Prize (1999) in Medicine

**Hamilton Smith**
Prof. Em., Johns Hopkins University
Scientific Director, Institute for Biological Energy Alternatives
Nobel Prize (1978) in Medicine

**Bob Horvitz**
Prof., Massachussets Institute of Technology
Nobel Prize (2002) in Medicine

**Eric Kandel**
Prof., Columbia University, New York
Nobel Prize (2000) in Medicine

**Wolfgang Ketterle**
Prof., Massachusetts Institute of Technology
Nobel Prize (2001) in Physics

**Peter Agre**
Vice Chancellor for Science & Technology, Duke University Medical Center
Nobel Prize (2003) in Chemistry

**John C Mather**
Chief Scientist, Science Mission Directorate,
NASA HQ and Senior Project Scientist, James Webb Space Telescope, NASA GSFC
Nobel Prize (2006) in Physics

**Kurt Wüthrich**
Professor, The Scripps Research Institute, La Jolla, CA, USA
and ETH, Zurich, Switzerland
Nobel Prize (2002) in Chemistry

**B) Nobel Laureates from Europe**

**Sir Harold Kroto**
Prof., University of Sussex
Director, The Vega Science Trust
Nobel Prize (1996) in Chemistry

**Rolf Zinkernagel**
Professor, Experimental Immunology, University of Zurich,
Nobel Prize (1996) in Medicine

**Jules Hoffmann**
Professor, Research Director,
Member of the Board of Administrators of CNRS, Paris, France
Nobel Prize (2011) in Medicine

**Harald zur Hausen**
Professor, German Cancer Research Centre, Heidelberg, Germany
Nobel Prize (2008) in Medicine

**Venkatraman (Venki) Ramakrishnan**
Medical Research Council, Cambridge, UK
Nobel Prize (2009) in Chemistry

**Konstantin Novoselov**
Professor, School of Physics and Astronomy, University of Manchester,
Manchester, UK
Nobel Prize (2010) in Physics

**C) U.S. National Medal of Science Laureates**

**J. Craig Venter**
J. Craig Venter Institute, Founder, Chairman, and Chief Executive Officer

**Edward Witten**
Prof., Institute for Advanced Study - **Fields Medal** (1990)

**Ann Graybiel**
Prof., Massachusetts Institute of Technology, Boston

**D) Turing Award (Computer Science)**

**Jim Gray**
Distinguished Engineer, Microsoft Research
Turing Award Recipient (1998)

**Joseph Sifakis**
CNRS Research Director, Founder of VERIMAG Laboratory
Turing Award (2007)

**Adi Shamir**
Professor, The Weizmann Institute of Science, Israel
Turing Award (2002)
